

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D. C. 20505

20 February 1976

Mr. B. W. Marsh
Lockheed Missile and Space Corporation
Sunnyvale, California

Dear Mr. Marsh:

I want to thank you for the very informative briefings and tour which you provided my staff and me last week. I was most impressed by your program. Although the hardware may be smaller in size than others, the diversity and utility of the results are certainly substantial. I have a much better feel for the various facets of your program as a result of your presentation.

Very truly yours, STATINTEL

George Bush
